0002

A large grid of 100 small, identical rectangular panels, each containing a complex, dense pattern of small, repeating geometric shapes and lines, resembling a microscopic view of a material or a highly detailed texture. The patterns are intricate and vary slightly in their specific arrangements, creating a rich, textured appearance across the entire grid. The panels are arranged in a 10x10 grid, with each panel being a small square with a thin black border. The overall effect is a highly detailed, almost abstract composition that changes as the viewer's perspective shifts.
